

****Task 1: Explore Website (Expected time: 5 Mins)****

Notes: Users already used most of the website, Users did not find sign-in, and might not have found community templates.

Q1) Did you have any difficulty finding particular pages? (I.E. free draw, templates, community, sign-up, sign-in, home, or profile page). If so, what challenges in navigation did you run into? Can you link it to a particular element?

A1) I don't think so. found all they found. no navigation challenges

Q2) How was your user experience? Did you find ease in navigation? Any particular element or feature that was particularly helpful/confusing?

A2) Easy, Likes buttons at the top

Q3) Which page did you find most engaging and useful? Which page did you find the least engaging and least useful?

A3) liked the nav bar. found the American flag template page boring. Found Freedraw most engaging, found Paint/templates least engaging

Q4) For navigation, do you have any further comments, suggestions for improvement, or additional features that you feel could help mitigate confusion, enhance the user experience, or increase the overall quality of the webpage?

A4) paint brings you to the same page as the template. Both labeled the same thing

****Task 2: Account Management (Expected time: 5 Mins)****

Task Description: Asked users to log in and view their profiles. Provided no further explanation on how to do this

Q1) How straightforward is the sign-up/sign-in/view profile process? Do you feel any steps are confusing / are there steps where you encountered difficulties? If so, what could we improve?

A1) relatively. it would help if it said the password rules. Besides that, the rest of it is very clear. No, I don't think so, just getting the password right. I don't think so

Q2) Upon viewing your profile what were your first impressions, Are there any features

you found most interesting? Are there any more implementations you would like to see on these profiles?

A2) Pretty good, I didn't have any pixel art. I like that it has the information that you need and then a place for pixel art. DIFFERENT FONTS. No future implementation desires

Q3) On a scale of 1-10 how satisfied were you with the following [Sign-up / Sign-in / Profile]

A3) 7 or 8

Q4) For the Sign-Up process, do you have any further comments, or suggestions for improvement, or additional features that you feel could help mitigate confusion, enhance the user experience, or increase the overall quality of the webpage?

A4) Say the password rules, I would never have guessed.

****Task 3: Design Pixel Art (Expected Time: 10-20 mins)****

Note; Submitting process was not imdeaditly clear
Name: Kept getting title of art mixed up with name

Task Description: The user is instructed To create 3 drawings, one of easy difficulty, one of medium difficulty, and one of hard difficulty. User is asked to interact with as many features on the free draw page as they feel fit.

****Collected Data****

[User experience of drawing - User rating of easy/medium/difficult drawing - User's favored features]

****Questions Asked****

Q1) How was your experience in creating art?

A1) It was good, it was fun, I really like this website

Q2) What was your favorite palette among the options provided? Why? How good is it about the color picker?

A2) I like rainbow 1. I change my mind I like rainbow 2 it has more color. I found out I could scroll, because, I dont know, I Just did. Scrolly bar helps

Q3) How are the controls? Are they intuitive or confusing, could you find any bugs?

Would you change anything about how this page works?

A3) Good. Sometimes click and drag wouldnt let me. If there was a way to do an eraser that would be nice, so I dont have to color the whole thing one color for one mistake.

Note: was a little not condifdent in thier ideas

Questions on the 60 out of 50

Increase the board size by 19 board squares

Q4) For the drawing process, do you have any further comments, or suggestions for improvement, or additional features that you feel could help mitigate confusion, enhance the user experience, or increase the overall quality of the webpage?

A4) No

Thoughts on cusgtom color pallet: Was imeaditly hidden down and didnt see it, was a big fan of the custom color palete

****Task 4: Explore the Community & Work on a template (Expected Time 5-10 minutes)****

Task Description: The User is asked to browse the community page to their liking, and when satisfied they are asked to choose a template and try to complete it. No further instructions

Liked the hat man, thought it would be hard
Had questions about missing art

Q1) As you explored the community page, what were your initial impressions of the artwork? The layout? The order in which you saw the art pieces?

A1) I like seeing other peoples artwork. I spelled my name on one of thse but its fine. I think the rows of 3 is a really good size for showing off the art. Layout seems good. and the order makes sence as its olderst to newest

Q2) How do you feel about the search functionality? Is there anything you feel we should change about it?

A2) Havent used it much. Search function doesnt work comletly. Searched jerry and jerry did not come up. Search feature might need some work

Q3) How was the process of selecting a painting from the community page for work on as a template? How was the actual template drawing experience?

A3) it was fun, I liked going through the paintings. The template experience is really fun. one of my favorite parts of the website.

Q4) For the Template process, do you have any further comments, or suggestions for improvement, or additional features that you feel could help mitigate confusion, enhance the user experience, or increase the overall quality of the webpage?

A4)

I am glad i did the interview
I think I said all my thoughts on it

****Final Closing Questions (Expected time 5-10 mins)****

A1) We did not make it to our final closing questions.
